Check out our great deals on Plygem Windows!

Our windows get a lot of **credit**.

All Listed Plygem Windows Qualify for up to **\$1500** in Federal Tax Credits!

PREMIUM SERIES		Double Hung and Slider in White or Beige	0-101 U.I.	\$250.00	
		EP glass package includes High Performance Glass with Low-E coating, Argon Gas filled and R-Core Insulation.			
		Low-E Glass - A microscopic, virtually invisible metallic oxide layer deposited on the window glazing surface. Low-E can reduce heating and cooling bills plus dramatically improve overall comfort.			
		Warm Edge glass spacer system reduces thermal transfer around the glass perimeter. Warm Edge is one continuous piece creating a stronger, more energy-efficient unit.			
		R-Core insulation is pre-expanded high-density solid polyurethane. The same material type used in many refrigerators/freezers that results in a maximum insulating barrier.			
		Interforce II is a fiberglass reinforcement adding superior strength and stability to the meeting rail while also allowing less heat transfer than other metal reinforcements.			
		DP 50 Certified - Plygem windows are tested to meet the air, water and structure requirements AAMA/WDMA 101/I.S.2. DP is the design pressure rating of the window.			
		Plygem Premium Series windows carry a limited lifetime warranty.			
PRO SERIES		Double Hung and Slider in White or Beige	0-101 U.I.	\$175.00	
		HP glass package includes 1 layer of Low-E coating with argon gas fill for high performance.			
		Low-E Glass - A microscopic, virtually invisible metallic oxide layer deposited on the window glazing surface. Low-E can reduce heating and cooling bills plus dramatically improve overall comfort.			
		Warm Edge glass spacer system reduces thermal transfer around the glass perimeter. Warm Edge is one continuous piece creating a stronger, more energy-efficient unit.			
		DP 35 Certified - Plygem windows are tested to meet the air, water and structure requirements AAMA/WDMA 101/I.S.2. DP is the design pressure rating of the window.			
		Plygem Pro Series windows carry a limited lifetime warranty.			
CONTRACTOR SERIES		Double Hung and Slider in White or Beige	0-101 U.I.	\$165.00	
		HP glass package includes 1 layer of Low-E coating with argon gas fill for high performance.			
		Our Warm Edge Plus Technology includes all of the features of the Warm Edge Spacer, but utilizes a new, less conductive material that provides a lower U-Factor.			
		Pinch Fusion Welding - sashes and mainframes - to create a solid, one-piece unit that maintains its strength over the years.			
		Plygem Contractor Series windows carry a limited lifetime warranty.
